@kim.guillory

If your vision makes everyone comfortable, it's not big enough.

To fix imposter syndrome you must understand it and why it exists. It's a lack of certainty, but where does the root of that come from? You're not stuck. You're repeating a pattern you haven't healed yet.

The one decision to stop outsourcing my authority changed my life.

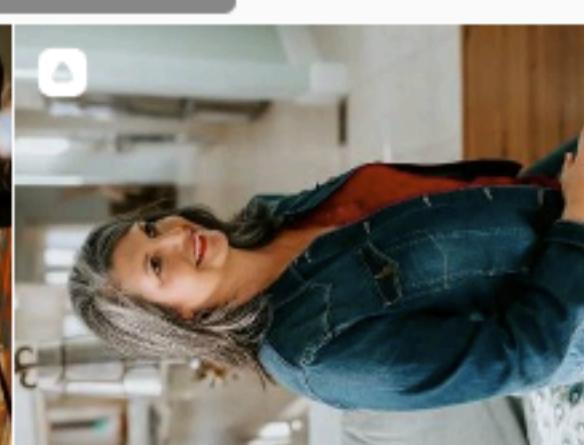

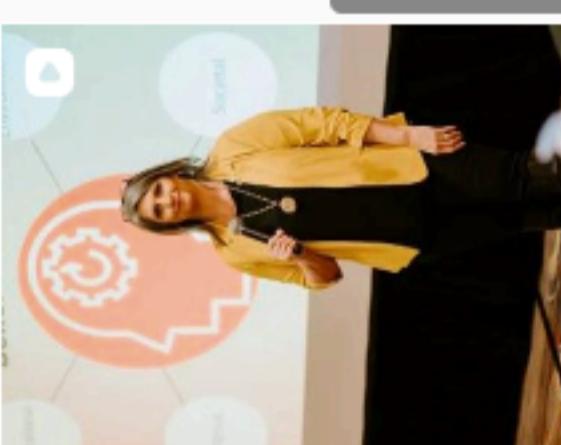

You've Healed. Now Keep Going.

You won't grow by staying where you're praised. You grow where you're challenged.

Problems are only a problem in the absence of solutions. Take action and trust you'll figure out whatever comes up along the way.
